# Camp Baker
## *2013 Provisional Camper Registration*

Camp Baker offers a program that makes it possible for individual Scouts to attend camp without their troop. This is called Provisional. This may be because the home Troop is not attending camp, a Scout is not available to camp with his troop, is visiting Oregon for the summer and wants to go to Scout camp, or a Scout simply wants an extra week of camp.

This program is not intended to replace a Scout Troop's long term summer camp program, but rather ensure that all Scouts have a chance to go to camp.

Upon arrival at camp, (Sunday at 12:30 pm) he will be put in contact with the troop he will be spending the week with. Camp concludes on Saturday at 11:00 am. Each troop will be led by and experienced, trained, and trusted Scoutmaster and assistant.

Camp Fee for Provisional Camper is only $285.00 and includes a full week of camping, leadership, food, program and fun. Currently, there are just two available session for the first 32 Scouts to register and remit payment.
