Deposit:

A $100 non-refundable campsite deposit is required with this application to secure your campsite. This deposit applies to your troop's total camp fee for the coming year, and is not refundable if the troop does not attend camp regardless of cancellation date but may be carried over for the next year's camp reservation. NO site will be held without deposit. You may call or e-mail an inquiry of campsite availability, or check the council website, but the site cannot be secured without the deposit.

Number of Campers:

Please give as accurate an estimate as possible. This number is the basis on which the council orders food and supplies. Overly optimistic estimates make planning extremely difficult and expensive.
